

VSBulletin COVID Flexibility Policy - 9 Feb 2021

Last published on 12/2/2021

We continue to monitor the Covid-19 situation very carefully, including the latest guidance from the World Health Organization (WHO) and the Foreign and Commonwealth Office (FCO), as well as any new entry or quarantine restrictions implemented by the countries we fly to.

What's new vs previous policy?

- New unlimited free of charge changes to travel dates and flights for bookings from 06 Feb 21
- New extended fare difference waiver if new travel is on/before 31 May 21
- Remove fare difference waivers for bookings made from 06 Feb 21 for travel from 01 Jun 21
- New original travel date for flight cancellations covered in this policy extended to 31 Aug 21
- New extended travel must be completed by 30 Apr 23 for bookings on/before 05 Feb 21
- New clarity for bookings made on/before 11 Mar 20 and impacted by 'events beyond control'
- New clarity on no-shows for this policy

Updates vs 5 February policy are highlighted

General Guidance for Covid-19 Policies

- This policy is to allow customers more flexibility in addition to original fares rules
- Cancellations, refunds and downgrades are subject to the original fare rules, unless permitted by this policy – whichever is the most flexible.

- Total Selling Price (TSP) - Includes all fare, YQ, taxes and surcharges when re-calculation is required
-
- This policy applies to all VS/VS* regardless of ticket type and includes tickets that are usually non-changeable
- Where fare difference is charged, it should be calculated including all taxes/charges (Total Selling Price). For all of the attached guidance, fare and adcol refer to TSP
- Where the passenger wishes to upgrade cabin, fare difference should be charged
- Un-ticketed bookings – Virgin Atlantic will seek to rebook the same booking class if applicable to the new flight, you may use the original stored fare to issue amended itinerary. Should the change not be suitable for your customer's travel plans, re-price their new itinerary at current TSP

- **We would encourage customers to rebook prior to the original travel date, If your customers do not show up for their flight and do not present themselves to airport staff on the scheduled day of departure, their ticket may not be valid**
- Part travelled rebooking is permitted to an earlier date and minimum/maximum stay restrictions will be waived
- Itineraries that include connections to or from other airlines, may be rebooked to travel in the same booking class, or, if original booking class isn't available, re-book in the lowest available class in the same cabin. No change fee will be charged however additional collection must be calculated at TSP
- Rebooking onto an alternative connecting carrier will be subject to the fare rules as per CAT4 flight

application. No change fee will be charged however additional collection must be calculated at TSP

- Where a change to outbound date occurs, return date may be changed to protect the original length of the trip within the permitted travel period
